

SPECIFIC TERMS AND CONDITIONS FOR PRINCE BANK CARD AND CREDIT CARD IN GOOGLE WALLET

These specific terms and conditions govern the use of debit cards and credit cards issued by Prince Bank in Google Payment Service. These specific terms and conditions constitute a legally binding agreement between the Cardholder as defined herein and Prince Bank Plc. ("**Prince Bank**") and must be read in conjunction with [Prince Bank's General Terms and Conditions for Accounts, Services, and Products \("GTC"\)](#), [Prince Bank's Terms and Conditions for Digital Banking Services](#), [Prince Bank's Card Terms and Conditions](#), [Prince Bank's Credit Card Terms and Conditions](#), [Google Wallet Terms of Service](#), and any other relevant terms and conditions issued by Prince Bank and Google LLC from time to time ("**Applicable Terms and Conditions**").

Any capitalized terms not otherwise defined herein shall have the same meaning given to them in the above-mentioned terms and conditions.

1. Definitions:

- (a) "**Card**" means Debit Card or Credit Card under MasterCard brand name issued by Prince Bank for the usage of the Cardholder.
- (b) "**Cardholder**" means a person or corporate entity that has been approved by Prince Bank to use a Card.
- (c) "**Merchant**" means an entity that accepts payment for its goods or services from Users through the Google Payment Service. The Merchant list as displayed in the Google Payment Service platform is subject to change.
- (d) "**Territory**" means the country or countries where Prince Bank participates in the Google Payment Service.

2. **Eligibility and Registration:** only the Card as defined herein is eligible to perform the transaction through the Google Payment Service ("**Eligible Card**") in accordance with the Applicable Terms and Conditions.

3. **Usage:** In addition to the normal service available under the Card as stated in the Card Terms and Conditions and Credit Card Terms and Conditions of Prince Bank, after successfully registered in the Google Payment Service platform, the Cardholder can make payment transaction under the Card to the Merchant in the Territory:

- (a) by tapping his or her mobile on the POS device of the Merchant (Contactless), with no need to present the physical Card;
- (b) by making payment in the Google payment App for e-commerce transactions.

4. **Liability:** The Cardholder must take security measures and is responsible for any unauthorized transactions made using their Card in Google Wallet. This includes ensuring the accuracy and validity of information provided to complete the transactions.
